Babel-17 / Empire Star

Samuel R. Delany

Babel-17 / Empire Star Samuel R. Delany
Author of the bestselling **Dhalgren** and winner of four Nebulas and one Hugo, Samuel R. Delany is one of the most acclaimed writers of speculative fiction.

Babel-17, winner of the Nebula Award for best novel of the year, is a fascinating tale of a famous poet bent on deciphering a secret language that is the key to the enemy's deadly force, a task that requires she travel with a splendidly improbable crew to the site of the next attack. For the first time, **Babel-17** is published as the author intended with the short novel **Empire Star**, the tale of Comet Jo, a simple-minded teen thrust into a complex galaxy when he's entrusted to carry a vital message to a distant world. Spellbinding and smart, both novels are testimony to Delany's vast and singular talent.
