The E-Learning Question and Answer Book: A Survival Guide for Trainers and Business Managers
Allan J. Henderson
"The application of technology-based learning to employee development has spawned a multibillion dollar industry that continues to grow. For all its potential, though, e-learning is a complex issue that elicits a myriad of questions. "The E-Learning Question and Answer Book" is a clear and concise guide that addresses common questions, as well as several that should be asked more often. Author Allan Henderson develops internal and client e-learning solutions for IBM. His crucial insights are supported by examples and case studies of how to (and how not to) launch and run an e-learning program. "The E-Learning Question and Answer Book" asks and answers more than 70 questions in all, including: What is e-learning? How can your company benefit? How much will it cost? Do you need to scrap your classroom training? How do instructors adjust? How do you set up e-learning systems? Will your IT structure support future growth? Should you host your own e-learning system? Should you use a public system? What are e-learning standards? Should you care about them? Writing from experience, Henderson answers real business questions about e-learning".

Sean Owens:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The E-Learning Question and Answer Book: A Survival Guide for Trainers and Business Managers can make you experience more interested to read.
