No matter what your age, skin tone, or profile, Robert can show you simple techniques that camouflage flaws and highlight each woman's unique beauty. Best of all, it's EASY! Even if you've never worn makeup before, you can learn how to bring out your best in just a few minutes.

This stunning book is also a full-color guide to applying wedding makeup, with countless stunning before-and-after pictures of regular women throughout. It is highly instructional and does not just show model perfect women, instead it focuses on the girl next door, your best friend and you. Every woman can be beautiful on her wedding day, no matter what her age or ethnic background, with Robert's makeup techniques. It features special makeup techniques for morning, midday, afternoon and evening weddings; because with each time of day you will photograph differently and as we all know one of the most important things to think about is how you will photograph. There are also chapters on more makeup tricks for wedding photos, and, of course, makeup for bridesmaids and matrons of honor.
