Anjop J. Venker-van Haagen

Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats Anjop J. Venker-van Haagen
Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats is the first textbook to give a complete overview of all ENT diseases, both commonly encountered and rare. It includes such distinctive problems as inflammation of the outer ear, deafness, nasal discharge, swallowing disorders and coughing. Detailed and up to date clinical information gives insight into ENT function and dysfunction, for teachers and researchers, veterinarians in practice and veterinary students.

Six chapters give key information on functional considerations, aetiology, clinical signs, diagnosis, and therapy of ENT disorders. Relevant diagnostic and imaging techniques are described in detail. Approximately 180 top quality illustrations emphasise and supplement the characteristic features of the diseases, disorders and techniques described in the text. There is also a detailed index.

This unique textbook provides a highly useful and practical reference guide in everyday practice, based on the author’s 35 years as a specialist in Ear, Nose, Throat and Tracheobronchial Diseases in companion animals.

From reader reviews:

Latrice Miller:

What do you think about book? It is just for students as they are still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has distinct personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats. All type of book would you see on many sources. You can look for the internet sources or other social media.

Gerald Morin:

Reading a e-book can be one of a lot of exercise that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a publication will give you a lot of new facts. When you read a e-book you will get new information since book is one of a number of ways to share the information or maybe their idea. Second, looking at a book will make you more imaginative. When you examining a book especially fictional book the author will bring that you imagine the story how the character types do it anything. Third, you are able to share your knowledge to others. When you read this Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats, you could tells your family, friends along with soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a reserve.

Thelma Brady:

People live in this new day of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely indeed. People is human not a robot. Then we inquire again, what kind of activity do you have when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative in spending your spare time, often the book you have read is usually Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats.

Donald Spada:

Is it a person who having spare time in that case spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats can be the reply, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
