Hans Christian Andersen's Fairy Tales Hans Christian Andersen
In 1916 George Harrap published an edition of The Fairy Tales of Hans Christian Andersen which included specially commissioned illustrations from a new young Irish illustrator, Harry Clarke. Although previously commissioned to provide illustrations for two other publishing projects, this was the first time Clarke's work had appeared in print. His talent was quickly acknowledged and he became recognized as one of the key illustrators during the golden age of gift-book illustration. In all, he created 16 full-color and 24 monochrome illustrations for this edition. Although many of these have been acquired by the National Gallery of Ireland, they will not be familiar to many modern readers. For this new collection, fifteen of Andersen's best loved tales have been re-written and with Clarke's fabulous illustrations will create a wonderful gift book for children young and old.
