A History of the Birth Control Movement in America (Healing Society: Disease, Medicine, and History) Peter C. Engelman

This narrative history of one of the most far-reaching social movements in the 20th century shows how it defied the law and made the use of contraception an acceptable social practice?and a necessary component of modern healthcare.

• 15 photographs and images of the major players in the movement and of key publications and contraceptive devices

• A selected bibliography and extensive end notes, providing an up-to-date source for primary and secondary material on the birth control movement
