Piloting Through Chaos Julian Gresser
Piloting Through Chaos—The Explorer's Mind presents two books in one, giving readers a fresh way to learn about and navigate the world. Book I introduces the principle of integrity. Integrity is a basic connecting principle of the universe. It can explain what holds things together and why they fall apart. Piloting Through Chaos teaches how to apply this principle practically in a new and effective system of negotiation. Book II will appeal to adventurers and explorers of both the external and inner worlds. The Explorer's Mind guides us through 8 interconnected realms: the Past, Wisdom, Beauty, Life Force, Discovery/Invention/Innovation, Philanthropy, the Networked Brain, and the Future. The "intertidal" zones, where these realms interpenetrate, open a treasure trove of creativity and innovation. Taken together Books I and II provide readers with a road map to a more abundant life and offer a guide on the journey.
