Quirky Quotes - old sayings with a new twist Susan Sherbert
Quotes with attitude! Times change but too often our thinking stays in the past. That is why I have taken some old sayings, and upgraded them with a new twist. And if some of the quotes seem a bit cynical, remember, these are simply my observations about the society we live in today. If the truth hurts, or you can't take a joke - my apologies.

• If it ain't broke
charge a new one anyway

• The grass is always greener
when someone else takes care of it for you

• A picture is worth a thousand words
but a video can be worth millions

• Sticks and stones may break my bones
but guns will kill me

• Good things come to those who
control their weight
