Book Description

This well organized, easy-to-use reference provides complete coverage of over 200 skin diseases with complete diagnostic and treatment options for each disorder. Along with hundreds of high-quality images, it provides the clinical features, top differentials, diagnosis, treatment, and prognosis for each disorder. The book begins with a special chapter on differential diagnosis for the most common presenting signs in dermatologic diseases, followed by chapters covering a multitude of common and more rarely seen skin disorders.

Book plus fully searchable electronic access to text.
