A Meeting with Medusa (The Collected Stories of Arthur C. Clarke Book 4)

Arthur C. Clarke

A Meeting with Medusa (The Collected Stories of Arthur C. Clarke Book 4) Arthur C. Clarke
In leading an expedition through the many-layered Jovian atmosphere in the hydrogen balloon craft Kon-Tiki, Captain Howard Falcon discovers a world where bioluminescent air plankton produce brilliant atmospheric sea-fire, predatory manta-ray creatures dominate the skies, and enormous jellyfish-like beings grow to be over a mile across.

The title story of this fourth collection from one of the genre's most celebrated authors ends with a twist-that leaves the reader questioning what it means to be human. This collection contains some of the author's most acclaimed short fiction, including "Cosmic Casanova" and "Sleeping Beauty"-stories that delight, surprise, and lead readers to ask big questions about humanity's role in the cosmos.
