Brianne's seventh-grade year has gotten off to an interesting start with her best friend moving away. She is excited about spending the weekend with Sarah at her new house, but in seeing some of the positive effects the move has granted her best friend, her feelings of discontentment about her life begin taking over her thoughts, resulting in some difficult days back home. Her involvement in the school play gives her a change of pace, and hearing Sarah has made a new friend at her school makes Brianne happy. But some surprising developments in her own circle of friends leave her feeling excited one moment and confused the next. Will the delightful moments outweigh the difficult ones and leave Brianne with a new best friend? **Anything You Need is the second book in the "Heaven in my Heart" series for pre and early teen girls. Books in this series are recommended for ages 11-14, and are meant to be read in sequential order.
