Just After Sunset: Stories

Stephen King

Just After Sunset: Stories Stephen King
Internationally bestselling author Stephen King—who has written more than fifty books, dozens of #1 *New York Times* bestsellers, and many unforgettable movies—delivers an astonishing collection of short stories. The stories in this collection have appeared in *The New Yorker*, *Playboy*, *McSweeney's*, *The Paris Review*, *Esquire*, and other publications.

Who but Stephen King would turn a Port-O-San into a slimy birth canal, or a roadside honky-tonk into a place for endless love? A book salesman with a grievance might pick up a mute hitchhiker, not knowing the silent man in the passenger seat listens altogether too well. Or an exercise routine on a stationary bicycle, begun to reduce bad cholesterol, might take its rider on a captivating—and then terrifying—journey. Set on a remote key in Florida, "The Gingerbread Girl" is a riveting tale featuring a young woman as vulnerable—and resourceful—as Audrey Hepburn's character in *Wait Until Dark*. In "Ayana," a blind girl works a miracle with a kiss and the touch of her hand. For King, the line between the living and the dead is often blurry, and the seams that hold our reality intact might tear apart at any moment. In one of the longer stories here, "N.," which recently broke new ground when it was adapted as a graphic digital entertainment, a psychiatric patient's irrational thinking might create an apocalyptic threat in the Maine countryside...or keep the world from falling victim to it.

Just After Sunset—call it dusk, call it twilight, it's a time when human intercourse takes on an unnatural cast, when the imagination begins to reach for shadows as they dissipate to darkness and living daylight can be scared right out of you. It's the perfect time for Stephen King.
