Why it matters who's stirring the pot.

Only a few months into her new job, Nancy wondered whether or not she should have said yes to the CEO position at Soup, Inc. Sales were declining, bankruptcy and takeover rumors were swirling, and employee morale had never been lower. The company had lost both flavor and heat; and nobody likes lukewarm soup. How was Nancy going to turn it around? Sometimes the answer you need is right in front of you. On a lunch break, Nancy steps into Grandma's Soup House, a little place she hadn't noticed before, and happens upon an unexpected source of inspiration. New from the best-selling author of *The Energy Bus* and *Training Camp*, *Soup* tells the "stirring" story of how Nancy discovers the key ingredients to revitalizing her company, her team, and herself.

A recipe for success for anyone in any position, *Soup* delivers the powerful message that the quality of your career, business, and team is determined by the quality of your relationships. People are hungry for positive change and a fresh sense of purpose and passion. If you are ready to stir the pot and lead by example, *Soup* is a fun and engaging story that supplies you with the tools you need to build a winning team-at work, school, or home.
