A PASTOR'S SKETCHES: Conversations with Anxious Souls Concerning the Way of Salvation
Ichabod Spencer
"A Pastor's Sketches is a sobering and challenging reminder that the Holy Spirit is the true agent of conversion. This book is urgently needed today when so much of our evangelism is patterned after current marketing methods. It has deeply convicted me to always seek to be in tune with the Holy Spirit as I minister to others." -Jerry Bridges, author of numerous books, "With the decline of biblical Christianity in the 19th century God raised up Asahel Nettleton to be the evangelist who displayed the power of the old ways of bringing the gospel effectively to men and women. In the pastoral ministry it was the skill of Ichabod Spencer who patiently and wisely helped bring many to find rest and maturity in Jesus Christ. He was a pastor's pastor and the fruit of a lifetime's care for God's people was given to the church in this invaluable book." -Geoff Thomas, pastor, author
