Autism Spectrum Disorders in the Mainstream Classroom: How to Reach and Teach Students With ASDs Barbara Boroson
This engaging and informative book gives you the knowledge you need to understand students with autism spectrum disorders (ASDs) and the strategies you can use to help them succeed in school. Drawing on her 20 years experience working with students with ASDs, Barbara Boroson guides you through creating a responsive classroom attuned to the needs of your students with ASDs, and she shares preventive strategies that help head off challenging behavior *before* it becomes disruptive. She offers suggestions for breaking through to hard-to-reach kids, ideas for collaborating with families, and strategies for differentiating instruction to support every student. The end goal is a classroom in which *all* students feel valued and respected, in which *all* students can learn and grow.
