Jeremy Hoffman is a self-made man and CEO of Hoffman Global Enterprises. The 32-year-old has his proposal all ready to go for the big investor meeting tomorrow, but his computer just died and now he can't get to his files. It would be fair to say he's having the worst day of his life when he contacts the Help Desk, but he has every reason to believe that someone will take care of the problem right away.

Samantha Lowman is on her way up in the world. She's petite, smart and sassy, an IT manager with a promising future and a mind of her own. She shouldn't even have been working the Help Desk when the call came in, but she's about to learn that no good deed goes unpunished when she arrives in his office to help.

Sam can see the billionaire could stand to learn some patience. To Jeremy, it's clear the saucy little vixen needs a lesson in respect, but there's also something else about her he finds irresistible. She'll only have one night to recover the business proposal that could change his life forever, but she doesn't expect it to be a night she'll never forget.
