New Lyme Disease treatments are desperately needed. This book provides them. The book identifies ten cutting-edge conventional and alternative treatments and gives practical guidance on integrating them into a comprehensive treatment plan that maximizes therapeutic benefit while minimizing side effects. On the pages of this book you will find the most accurate, current Lyme Disease information available. Discover the tools and resources to reclaim your health using the best of conventional and alternative medicine. Lyme Disease is one of the most stubborn, treatment resistant infections on earth. It is also spreading rapidly on all continents. Borrelia Burgdorferi - the elusive and dangerous Lyme Disease bacteria - can mimic many seemingly unrelated diseases, resulting in frequent misdiagnosis of the infection.

Government health officials are beginning to recognize Lyme Disease for what it is: a growing threat to public health and safety. Statistics show that there are over 200,000 new Lyme Disease infections per year in the United States alone. Read this book to find out about the following breakthrough Lyme Disease treatments. Five Core Treatment Protocols: The Antibiotic Rotation Protocol, The Marshall Protocol, The Salt / Vitamin C Protocol, Detoxification, and Electromedicine (Rife Machine Therapy). Five Supportive Supplements: Systemic Enzymes, Mangosteen, Lithium Orotate, Coenzyme Q10, and Magnesium. This book is also very helpful for the family and friends of loved ones with Lyme disease.
