Ana Cordona has been a strong leader for the few remaining lupine shifters in her pack. But with no pack males, they're vulnerable to the devious shifter Taggart, who wants to claim both their ranch and Ana as his own. When Connor Armstrong comes back into her life, promising protection as the Alpha male, it's almost enough to make Ana forget how he walked out on her before.

But Taggart and his rival pack are not their only enemies. A human element in town is targeting shifters. Their plan not only threatens Ana and Connor's future-but the existence of the entire pack.
