Ecocriticism (The New Critical Idiom)

Greg Garrard

Ecocriticism (The New Critical Idiom) Greg Garrard

Ecocriticism explores the ways in which we imagine and portray the relationship between humans and the environment in all areas of cultural production, from Wordsworth and Thoreau through to Google Earth, J.M. Coetzee and Werner Herzog's *Grizzly Man.*

Greg Garrard's animated and accessible volume traces the development of the movement and explores its key concepts, including:

- pollution
- wilderness
- apocalypse
- dwelling
- animals
- earth.

Featuring a newly rewritten chapter on animal studies, and considering queer and postcolonial ecocriticism and the impact of globalisation, this fully updated second edition also presents a glossary of terms and suggestions for further reading in print and online.

Concise, clear, and authoritative, *Ecocriticism* offers the ideal introduction to this crucial subject for students of literary and cultural studies.
