William Shakespeare

King Henry IV Part 2: Third Series (Arden Shakespeare) William Shakespeare

More troubled and troubling than *King Henry IV Part 1*, the play continues the story of King Henry's decline and Hal's reform. Though Part 2 echoes the structure of the earlier play, it is a darker and more unsettling world, in which even Falstaff's revelry is more tired and cynical, and the once-merry Hal sloughs off his tavern companions to become King Henry V.

James C. Bulman's authoritative edition provides a wealth of incisive commentary on this complex history play.
