Schooled in Revenge Jesse Lasky
After having lost her family and the luxurious life she lived in beautiful Napa, California, Ava Winters finds herself on Rebun Island, Japan, the site of Satoshi Takeda's Revenge School. There, Ava meets Reena, Jon, Cruz, and Jane. At Revenge School, Ava also meets Emily Thorne who has recently returned to her training with Takeda. Emily shares her wisdom about Revenge and the importance of looking for justice in a world where their enemies have thrived. Jon finds a file in Takeda's office detailing the connective tissue linking the group currently at Revenge School. He presents Ava and the others with the information, highlighting the looming May 1st date of an annual gala in Napa where they will all have the opportunity to address their respective "revengendas." Although their training is not finished, the group feels the time is right to set out on their mission. Assuming the delicious melodramatic tone of the show, the book will reveal twists, turns, murder, collusion and deception. SCHOOLED IN REVENGE will also feature a juicy, yet complicated, romance for Ava and Jon, a love affair that will help shape Ava into the enigmatic character fans love the way they love Emily Thorne.
