The Origin of the Bible

The Origin of the Bible
Many books have been written about the Bible, but few explain its origins. This updated volume of the original classic provides a fascinating overview of how the Bible was first inspired, canonized, read as sacred literature, copied in ancient Hebrew and Greek manuscripts, and eventually translated into the languages of the world. This updated book will describe the development of many translations into contemporary English, giving readers a thorough guide to the differences between them.
