Writer's Nudge - Book One: Encouraging Words for Emerging Authors (Volume 1) Dr. Robert W. Busha, Mary C. Busha
Writer's Nudge-Book One provides writers with a grounding and awareness of the publishing industry and the craft of writing, helping them establish where they are, where they'd like to go, and how to advance in their writing journey. To get where you want to go as a writer, an appreciation of the basics of writing, creativity, and direction towards a reasonable goal are often overlooked in deference to just pounding out words. Determination is admirable; deliberate purpose is important as well. Dr. Bob draws from decades of personal experience as a writer, publisher, college writing instructor and coach. While encouraging hundreds of writers along the way he has observed and tabulated the common areas of frustration. He knows what it takes to nudge emerging authors to new levels of creativity and literary satisfaction. In Writer's Nudge Book One, he shares it with you, too.
