You Are All Free: The Haitian Revolution and the Abolition of Slavery Jeremy D. Popkin
The abolitions of slavery in the French Caribbean colony of Saint-Domingue in 1793 and in revolutionary France in 1794 were the first dramatic blows against an institution that had shaped the Atlantic world for three centuries and affected the lives of millions of people. Based on extensive archival research, You Are All Free provides the first complete account of the dramatic events that led to these epochal decrees, and also to the destruction of Cap Francais, the richest city in the French Caribbean, and to the first refugee crisis in the United States. Taking issue with earlier accounts that claim that Saint-Domingue's slaves freed themselves, or that French revolutionaries abolished slavery as part of a general campaign for universal human rights, the book shows that abolition was the result of complex and often paradoxical political struggles on both sides of the Atlantic that have frequently been misunderstood by earlier scholars.

It can't be stated constantly that reading routine only for the geeky individual but for all of you who wants to become success person. So , for every you who want to start looking at as your good habit, you may pick You Are All Free: The Haitian Revolution and the Abolition of Slavery become your starter.

Richard Sauls:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't

see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this You Are All Free: The Haitian Revolution and the Abolition of Slavery can make you feel more interested to read.
