A true understanding of the reasons why certain people are homosexual seems more important now than ever before. Gay people are still fighting for their right to marry. Providing the answer to why religions, and society as a whole, have been homophobic for centuries, Crossovers: The Origin of Homosexuality Revealed is not only a long overdue history lesson, but may also help to reunite families who have been torn apart by bias and a lack of understanding. On March 16, 1978 an ascended spiritual master, the Angel Without A Name (AWAN) spoke for the first time, with Carl Hewitt, a well-respected psychic medium. This book chronicles Rick's journey of accepting his homosexuality. Rick was on the verge of committing suicide, when he sought counseling from Rev. Carl R. Hewitt. Awan intervened and offered to teach Rick the origin of homosexuality and the reason for religion's homophobic attitudes, provided that Sidney Schwartz was present to record and document these sessions. The author literally found the verification of Awan's explanation of the origin of homosexuality carved in stone! Crossovers: The Origin of Homosexuality Revealed will answer the following questions: Why are some people gay? What is the true meaning of holy? Who were the true targets of the priests' campaign of homophobia? Why Christians cannot use the Bible to justify their homophobic attitudes? Why are many clergymen gay?
