Front Row Seat: A Photographic Portrait of the Presidency of George W. Bush (Focus on American History Series) Eric Draper

America's forty-third president, George W. Bush, presided over eight of the most dramatic years in recent history, from the 9/11 attacks early in his administration to the worldwide economic crisis of 2008. By his side, recording every event from the momentous to the intimate, was his personal White House photographer, Eric Draper. From a collection of nearly one million photographs, Draper has selected more than one hundred images of President Bush that portray both the public figure and the private man.

Front Row Seat presents a compelling, behind-the-scenes view of the presidency of George W. Bush. Through Draper's lens, we follow Bush through moments of crisis that called for strong leadership, such as 9/11; emotional meetings with troops in war zones, wounded soldiers at home, and Katrina survivors; and happy, relaxed times with his wife Laura, daughters Barbara and Jenna, and parents President George H. W. and Barbara Bush. We also see Bush at work within his inner circle of trusted advisors, including Vice President Richard Cheney, National Security Advisor and Secretary of State Condoleezza Rice, and Secretary of Defense Donald Rumsfeld.

Capturing moments that reveal the essence of the man, *Front Row Seat* is an irreplaceable portrait of George W. Bush.
