Liberty and Power: The Politics of Jacksonian America

Harry L. Watson

Liberty and Power: The Politics of Jacksonian America Harry L. Watson
As an engaging and persuasive survey of American public life from 1816 to 1848, Harry L. Watson's *Liberty and Power* remains a landmark achievement. Now updated to address twenty-five years of new scholarship, the book brilliantly interprets the exciting political landscape that was the age of Jackson-a time that saw the rise of strong political parties and an increased popular involvement in national politics. In this enduring and impressive work, Watson examines the tension between liberty and power that both characterized the period and formed part of its historical legacy.
