S.R.C.H Book One ~Lost~: Kristin A. Redding (Once Upon a Time Sinced Passed 1) Kristin Redding
Everything was normal. Well... as normal as it could be with me being able to see people change into different types of creatures my whole life. Anyway! Things were normal until chanting-man flung me into the past. Reason as to why? Unknown. What is going on? Unknown. How come it is happening? Unknown. What I do know, though, is I'm here. It's darker than my time, and I need to find my way back. Naturally, I have companions. You think, "Really?" the answer is "No." Granted, they're seems to be some people that want to help me, but I was thrown back to this time on my own and I need to try everything in my power to not make a horrible, tragic mistake that would lead to my future being rule by giant humanoid ants or something.
If I go by every book and movie I've ever watched or read about messing with the past, it hardly ever ends well for the future dweller.
Well... here's to hoping!
Most Sincerely,
Serena Hunt.
