The House on Fortune Street: A Novel Margot Livesey

It seems like mutual good luck for Abigail Taylor and Dara MacLeod when they meet at university and, despite their differences, become fast friends. Years later they remain inseparable: Abigail, the actress, allegedly immune to romance, and Dara, a therapist, throwing herself into relationships with frightening intensity. Now both believe they've found "true love." But luck seems to run out when Dara moves into Abigail's downstairs apartment. Suddenly both their friendship and their relationships are in peril, for tragedy is waiting to strike the house on Fortune Street.

Told through four ingeniously interlocking narratives, Margot Livesey's *The House on Fortune Street* is a provocative tale of lives shaped equally by chance and choice.
