Paul Brody

The Lonely House: A Biography of Emily Dickinson Paul Brody
During her lifetime, Emily Dickinson did not seek out recognition or attempt to change the world around her, even in the smallest way. A private but not antisocial person, she kept her life's work, and her innermost feelings, almost entirely to herself. Her life was rich in intellectual pursuits, and she had many friends with whom she exchanged witty and brilliant letters, but she rarely left the town of her birth. From the early 1860s onward, she became essentially a recluse.

After her death in 1886, it was only the good judgment of her sister Lavinia that preserved the more than 1,700 poems Dickinson had secretly produced. Her poetry was so intensely individual that it immediately captivated a national audience. More than a century later, her special genius continues to surprise readers young and old.

Read more about her fascinating book in this biography.

LifeCaps is an imprint of BookCaps™ Study Guides. With each book, a lesser known or sometimes forgotten life is recapped. We publish a wide array of topics (from baseball and music to literature and philosophy), so check our growing catalogue regularly to see our newest books.
