Oh, before you go any further I should warn you about something: this series is not about baby words!

Although I hope you will find quickly flicking through this book to be both effective and visually pleasing, you will probably need to go through it more than once to really master all the little gems inside. I recommend frequently testing yourself by eyeballing the full list of vocabulary words in the next section and clicking through on any words you have doubts about. Before you know it, you'll be familiar with most, if not all, of them.

Of course, how you use these words is completely up to you. While some readers simply love to indulge in new and wonderful words, and perhaps occasionally impress their dinner guests, others treat them as ammunition to crush their opponents at Scrabble or Words With Friends.

It's courses for horses I say ;-)
