Laws of the Heart - The Ten Commandments for Christian Living Roland Chia
Christians sometimes fail to understand what the Ten Commandments are all about. The Ten Commandments should not be reduced to a list of do's and don'ts. Their true purpose and meaning can only be understood when they are located in the covenant of grace that God has established with His people. They have to do with attitudes, and the dispositions of the heart. They have to do with our relationship with God.

In this book, which started as a series of sermons, author Roland Chia unearths from the Ten Commandments some insights for the spiritual life. These reflections provide the reader with glimpses of inexhaustible truths that will strengthen his or her faith in God.
