Selected Stories (Penguin Twentieth-Century Classics)

E. M. Forster

Selected Stories (Penguin Twentieth-Century Classics) E. M. Forster
Although he is best known for his novels-several of which have been made into popular movies-E.M. Forster also published stories. This volume, which collects those stories published during Forster's lifetime, provides an opportunity for readers to discover these less familiar works. Rich in irony and alive with sharp observations on the surprises life holds, the stories often feature violent events, discomforting coincidences, and other disruptive happenings that throw the characters' perceptions and beliefs off balance.

In their keen Introduction, David Leavitt and Mark Mitchell discuss Forster's place in both the short-story tradition and in the tradition of gay literature.
