The Pursuit of Happyness Chris Gardner

> *The astounding yet true rags-to-riches saga of a homeless father who raised and cared for his son on the mean streets of San Francisco and went on to become a crown prince of Wall Street*

At the age of twenty, Milwaukee native Chris Gardner, just out of the Navy, arrived in San Francisco to pursue a promising career in medicine. Considered a prodigy in scientific research, he surprised everyone and himself by setting his sights on the competitive world of high finance. Yet no sooner had he landed an entry-level position at a prestigious firm than Gardner found himself caught in a web of incredibly challenging circumstances that left him as part of the city's working homeless and with a toddler son. Motivated by the promise he made to himself as a fatherless child to never abandon his own children, the two spent almost a year moving among shelters, "HO-tels," soup lines, and even sleeping in the public restroom of a subway station.

Never giving in to despair, Gardner made an astonishing transformation from being part of the city's invisible poor to being a powerful player in its financial district.

More than a memoir of Gardner's financial success, this is the story of a man who breaks his own family's cycle of men abandoning their children. Mythic, triumphant, and unstintingly honest, *The Pursuit of Happyness* conjures heroes like Horatio Alger and Antwone Fisher, and appeals to the very essence of the American Dream.
