9/11: The Ultimate Truth Laura Knight-Jadczyk
In the years since the 9/11 attacks, dozens of books have sought to explore the truth behind the official version of events that day - yet to date, none of these publications has provided a satisfactory answer as to WHY the attacks occurred and who was ultimately responsible for carrying them out. Taking a broad, millennia-long perspective, Laura Knight-Jadczyk and Joe Quinn's 9/11: The Ultimate Truth uncovers the true nature of the ruling elite on our planet and presents new and ground-breaking insights into just how the 9/11 attacks played out. 9/11: The Ultimate Truth makes a strong case for the idea that September 11, 2001 marked the moment when our planet entered the final phase of a diabolical plan that has been many, many years in the making. It is a plan developed and nurtured by successive generations of ruthless individuals who relentlessly exploit the negative aspects of basic human nature to entrap humanity as a whole in endless wars and suffering in order to keep us confused and distracted to the reality of the man behind the curtain. Drawing on historical and genealogical sources, Knight-Jadczyk and Quinn eloquently link the 9/11 event to the modern-day Israeli-Palestinian conflict. They also cite the clear evidence that our planet undergoes periodic natural cataclysms, a cycle that has arguably brought humanity to the brink of destruction in the present day. For its no nonsense style in cutting to the core of the issue and its sheer audacity in refusing to be swayed or distracted by the morass of disinformation that has been employed by the Powers that Be to cover their tracks, 9/11: The Ultimate Truth can rightly claim to be THE definitive book on 9/11 - and what that fateful day's true implications are for the future of mankind. The new Second Edition of 9/11: The Ultimate Truth has been updated with new material detailing the real reasons for the collapse of the World Trade Center towers, the central role played by agents of the state of Israel in the attacks, and how the arrogant Bush government is now forced to dance to the Zionists' tune.
