What God Wants Every Dad to Know: The Most Important Principles You Can Teach Your Child
James Merritt
In *What God Wants Every Dad to Know*, James Merritt tells of his surprising discovery that the ancient book of Proverbs is more than a collection of wise sayings. It's a book written from a father to a son, containing a list of things that God wants every dad to know.

Using King Solomon's letter as a guide, Merritt encourages fathers to pass along God's timeless wisdom found in Proverbs to their children. Through his personable and engaging style, he reveals important life principles on such key topics as:

- finances
- sexuality
- anger
- work-life balance
- friendships

No book ever written has been a better or more practical guide than Proverbs for helping fathers guide their children toward right choices and away from wrong ones. Solomon's advice remains invaluable for modern dads struggling with the pressures of home and career responsibilities, travel, and broken families.

Merritt makes liberal use of anecdotes and stories from his own experience as the parent of three children as he urges dads to become true fathers in a world filled with fatherlessness.
