“The tears start welling up in my eyes. If anything happens to Alistair, if he is hurt, or worse… Terrible thoughts run rampant through my mind.
At first I thought we were just sex friends, but he is so much more than that now, of course. He is the man I love, and he loves me back. We have even said the words ‘I love you.’”

***
Alistair has traced his lost brother. He thinks his problems are solved, but he doesn’t realize that he is throwing himself into the claws of a dangerous criminal. Chloé doesn’t hesitate for a second: she has to save her lover. The girl who thought she would never get attached realizes how wrong she was, and she is afraid she might regret it...
Especially as before long, she will face an offer that she will struggle to refuse… unless fate has more of its tricks in store for her, and her dream is about to crumble before her eyes? Will love triumph over danger and disillusionment?
