With You All the Way Max Lucado

A timeless tale about the most important choice on your journey through life.

Carlisle, Alon, and Cassidon--known by all in the kingdom as the bravest and best knights who serve the King. But now the time has come to see which is truly worthy of the Princess's hand in marriage. As the Prince tells the three of the King's test, the knights understand the danger of the journey before them. And with only the King's song to guide them and one other to accompany them, they must prepare for the adventure of their lives--an adventure which may cost them everything.

Who will the victor be? Carlisle the strongest, Alon the swiftest, or Cassidon the wisest?

A kingdom waiting. A journey through darkness. Encounters with those who deceive. A finally... a victory. Elements you and your children will find not only in this delightful story, but also in your relationship with God. That's why the message shared here is such a powerful one.

Your children will love finding out which knight won the fair maiden's hand. But you'll love how this timeless tale tells that there is One who knows how to guide them through this world. And He will journey with them all the way to their heavenly castle and the celebration to come.

Max Lucado's beloved story, originally published as *The Song of the King*, has been freshly illustrated for a brand new generation of kids--and all of us who love them--to enjoy together. It's a new chance to entertain young readers while writing on their hearts a truth they need to know. The truth that God will be with them all the way.

From reader reviews:

Bethany Hall:

Book is to be different per grade. Book for children until adult are different content. As it is known to us that book is very important usually. The book With You All the Way had been making you to know about other information and of course you can take more information. It is rather advantages for you. The book With You All the Way is not only giving you much more new information but also to be your friend when you really feel bored. You can spend your own spend time to read your e-book. Try to make relationship with the book With You All the Way. You never experience lose out for everything in case you read some books.

Frances Temple:

Nowadays reading books be than want or need but also get a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge even the information inside the book that improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want experience happy read one together with theme for entertaining like comic or novel. The With You All the Way is kind of book which is giving the reader erratic experience.

Romana Linder:

Reading a guide can be one of a lot of exercise that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new details. When you read a guide you will get new information since book is one of numerous ways to share the information or perhaps their idea. Second, reading through a book will make you actually more imaginative. When you looking at a book especially fiction book the author will bring you to definitely imagine the story how the figures do it anything. Third, you can share your knowledge to other people. When you read this With You All the Way, it is possible to tells your family, friends along with soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a book.

Joey Mendoza:

Are you kind of hectic person, only have 10 or maybe 15 minute in your morning to upgrading your mind skill or thinking skill even analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short time to read it because all of this time you only find guide that need more time to be learn. With You All the Way can be your answer mainly because it can be read by a person who have those short free time problems.
