Going All the Way: Forbidden Desires: The Thrill of Cheating Angela Whyte
"Going All the Way: Forbidden Desires " is the story of a frustrated housewife who ends up seeking her sexual satisfaction with another man other than her husband. He has neglected her ever since he discovers that he was pregnant. She is not able to figure out if he is disgusted by the way she looks or if he is just too afraid to touch her and hurt their growing baby. She has tried everything to convince him that it will all be okay and that he can love her like he used to. When that fails she is tempted to seek her satisfaction elsewhere but does not really follow through with it until fate literally drops the solution in her lap.
