International Law

International Law
Evans' *International Law* provides wide-ranging analysis of all the key issues and themes in public international law and brings together an outstanding collection of interesting and diverse writings from the leading scholars in the field.

The fourth edition succeeds both in explaining the principles of international law and exposing the debates and challenges that underlie it. Now fully revised and updated, it continues to provide an authoritative and stimulating overview of this increasingly important subject; revealing international law in its full diversity.

International Law is also accompanied by an Online Resource Centre, featuring the personal views and recollections of eminent international law practitioners.
