Based on student feedback, Saunders Q&A Review for the NCLEX-PN® Examination is organized to address specific Client Needs and Integrated Processes to mirror the NCLEX-PN test plan. This review follows Silvestri Comprehensive Review as the natural next step for students in the Silvestri suite of products. The text and accompanying CD-ROM contain 3,200 practice questions-including Alternate Item Format-that include comprehensive rationales for both correct and incorrect options, test-taking strategies, and a textbook page reference for further explanation. The companion CD provides automatic content updates so you are sure to have the most up-to-date information available.

- Remediation tied directly back to your Elsevier textbooks provides resources for further study.
- Content is organized according to Client Needs, providing an organized review for exam preparation and end-of-course or exit standardized exams.
- Practice questions, answers, and detailed rationales all appear on the same page, giving you immediate feedback on your responses.
- Detailed test-taking strategies for each question give you clues for analyzing and uncovering the correct answer option. Rationales are provided for both correct and incorrect options.
- Provides computerized testing practice in study, quiz, or exam modes, to allow you to choose from 21 different content categories and focus your study sessions.
- Each question is categorized by level of cognitive ability, Client Needs area, integrated process, and clinical content area to allow you multiple study and exam selections on the companion CD.
- Contains chapters on academic and nonacademic NCLEX-PN preparation, advice from a recent nursing graduate, and test-taking strategies that help you understand complicated exam questions.
- Comprehensive exam consists of 85 questions related to all content areas in the book and representative of the percentages identified in the NCLEX-PN test plan.

- Fully updated to meet the 2008 iteration of the NCLEX-PN test plan, as well as all other current nursing practices.
- 200 additional questions bring the total to 3,200, with practice in both print and electronic formats.
- More Alternate Item Format questions give you valuable practice in this important and sometimes tricky area.
- Companion CD allows for automatic software updates, so you can check for changes and updates to content throughout the life of the edition.
