From the back cover of the full book:

In his groundbreaking first book, Your Soul's Plan, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There’s also a chapter about the pre-birth planning we do with our future pets. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create.

Through the stories in Your Soul s Gift you can:

-Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned

-Emerge from victim consciousness to know yourself as the powerful creator of your life

-Forgive those who have hurt you and create a lasting inner peace

-See profound purpose in experiences that once appeared to be meaningless suffering

-Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.
