30-Second Architecture: The 50 Most Signicant Principles and Styles in Architecture, Each Explained in Half a Minute Edward Denison, Jonathan Glancey, Dragana Cebzan Antic
The 50 most significant principles and styles in architecture, each explained in half a minute. The bestselling 30-Second series offers a new approach to learning about those subjects you feel you should really understand. Every title takes a popular topic and dissects it into the 50 most significant ideas at its heart. Each idea, no matter how complex, is explained using a mere two pages, 300 words, and one picture: all easily digested in only half a minute. 30-Second Architecture presents you with the foundations of architectural knowledge. Expert authors are challenged to define and describe both the principles upon which architects depend, and the styles with which they put those principles into practice. So, if you want to know your arch from your elevation, and your Baroque from your Brutalism, or you wish to top off your next dinner party with a stirring speech on how form follows function, this is the quickest way to build your argument.
