**God's Good World: Reclaiming the Doctrine of Creation** Jonathan R. Wilson
The doctrine of creation has often been neglected in Christian theology. Distinguished evangelical theologian Jonathan Wilson exposes what has been missing in current theological discourse and offers an original, constructive work on this doctrine.

The book unites creation and redemption, showing the significance of God's work of creation for understanding the good news of redemption in Jesus Christ. Wilson develops a trinitarian account of the life of the world and sets forth how to live wisely, hopefully, peaceably, joyfully, and generously in that world. He also shows how a mature doctrine of creation can help the church think practically about contemporary issues, including creation care, sexuality, technology, food and water, and more.
