The Crusade of the Black Angel

For over a decade, ISIS, the Islamic Caliphate, has terrorized the Middle East.
Both Iraq and Syria have fallen, the terrorist movement has spread to a dozen other countries and acts of terrorism have rocked the cities of Europe, and the United States.
The most destructive attack has now come to the Heart of Christendom. St. Peters Basilica in Rome is hit with a coordinated attack that kills the Pope and many senior Cardinals. ISIS terrorists penetrate the Basilica, and detonate bombs that collapse the dome of the cathedral.
After 12 years of living quietly in his Positano villa, Cody Frost is called by the secret Black Ops division of the Vatican and The Black Angel is pulled back into service. Cody and his wife Ashana have raised and educated their two children, Charlie and Rosy. When the attack on St Peters occurs, the whole family is called to Rome.
Charlie is a skilled sniper, who has turned out to be better than his father at long-range shooting skills. Rosy has become a computer genius. Both are graduates of universities in the United States. Both have learned advanced martial arts, and advanced weapons training. They are as good as Cody's original team.
The new Pope is young, militant and determined to erase the scourge of ISIS from the world. He calls for a modern Crusade. This crusade is different from the historical battles of Islam against Christianity, but will be a coalition of Muslims, Christians and Jews, all with a common God, to join together to battle the Islamic Caliphate hiding their brutal atrocities behind religion as a justification for murder, rape, extortion and wanton execution of all people not compliant to their distortion of Islam.
The Black Angel must assemble Kurds, Shia Muslims, Christians, and Israel into a fighting force to remove the scourge of ISIS from the world. Never before has the Black Angel faced such a daunting task. All his unique skills in planning complex operations are tested as he leads a Crusader force of 200,000 men to engage and attempt to destroy the entire ISIS infrastructure.
In a non-stop story of thrilling attacks, incredible danger, and furious offensives against ISIS, by the Crusader coalition led by the Black Angel who is joined by his deadly family to battle the enemy and seek to redraw the borders of the Middle East to erase a hundred years of war and suffering by the people of the region.
They face a determined army of 60,000 ISIS fighters who have never known defeat, and are battle-tested warriors who pose the most serious threat to world peace in history.
