If you're a super-busy HR professional and your goal is to get great results faster...and build a network of satisfied clients and trusted supporters in the process ...well, this book is like having your own private, portable coach at your disposal.

Winning Big in HR has been developed to be an "HR career game changer" and in it Collins packs an absolutely amazing collection of 100+ (actually 118) the ABSOLUTE BEST job success strategies, advice, confessions, stories and insights stolen (and no longer available) from his blog -- PLUS a ton of brand new tricks and tips he's never shared before...anywhere...at any time.

WARNING: This book is NOT for everyone. It's blunt, no B.S. and pulls no punches. It doesn't sugarcoat anything. It will reveal success strategies not obvious to others that can elevate your results quicker. If you want the typical, tired old HR theories and "best" practices that you read about in HR Magazine, Workforce, HR Executive or that you hear about at typical SHRM conferences...you will want to take a pass on this book. It's not for you.

However, if you want to know the "REAL DEAL" about taking charge, getting better results, becoming the captain of your own career and THE trusted advisor to your clients, then you'll want to check this book out.

In this one-of-a-kind resource, you'll discover valuable insights such as:

*The #1 most important and indispensable step for winning big in ANY HR role.
*How to quickly build your HR credibility from day one in ANY organization.
*The sneaky little secret for running an HR department your clients will love.

*Capitalizing on big unexpected HR opportunities even if you aren't ready for them.
*Becoming remarkable...and leaving your own unique and memorable legacy in HR.
*15 things every winner in HR knows about their business.
