Building Universes: Relativity from Quantum Causality: ISBN: 978-1-300-10722-4 (Controlling Time and Space) James Dunn
Volume 3 provides an experimental setup based upon the relationships presented in Volume 2. The Concepts of Volume 1 can be explored in a structured experiment.

Further, flexibility in the experiment allows for the individual researcher to explore their own concepts and contribute to an ever growing body of related information.

A server is provided for researchers to read the results obtained by other researchers and contribute their own individual findings.

A rating system is provided to identify relationships that have a the typical Probability of Occurrence and Level of Impact and the related categories.
