Foucault: Philosophy in an Hour

Paul Strathern

Foucault: Philosophy in an Hour Paul Strathern

Philosophy for busy people. Read a succinct account of the philosophy of Foucault in just one hour.

The French philosopher Michel Foucault set about his task rather like a historian. After painstaking research, he concluded that knowledge and power were intimately related throughout history. He illustrated this central idea of his philosophy through studies of madness, sexuality, and discipline and punishment, arguing that there is no such thing as absolute truth, only different truths about reality at particular moments – truths that fulfil the needs of power.

Here is a concise, expert account of Foucault's life and philosophical ideas – entertainingly written and easy to understand. Also included are selections from Foucault's work, suggested further reading, and chronologies that place Foucault in the context of the broader scheme of philosophy.

From reader reviews:

Gary Lewis:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this specific Foucault: Philosophy in an Hour to read.

Peter Wright:

Nowadays reading books become more than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one together with theme for entertaining such as comic or novel. The particular Foucault: Philosophy in an Hour is kind of reserve which is giving the reader unpredictable experience.

Cassandra Tucker:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Foucault: Philosophy in an Hour can make you really feel more interested to read.

Cheri Turner:

What is your hobby? Have you heard this question when you got scholars? We believe that that query was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person just like reading or as studying become their hobby. You need to understand that reading is very important as well as book as to be the matter. Book is important thing to add you knowledge, except your teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you go onto be your object. One of them is Foucault: Philosophy in an Hour.
