Western Civilization: Sources, Images, and Interpretations : To 1700

Western Civilization: Sources, Images, and Interpretations : To 1700
This volume provides an introduction to the sources historians use, the kinds of interpretations historians make, and covers the history of Western civilization from the ancient world to the end of the 17th century. A broad selection of documents, photographs, maps and charts is presented, along with introductions, commentaries, guides and questions designed to place each section in a meaningful context and facilitate understanding of its historical significance.
