Congo

Michael Crichton

Congo Michael Crichton

Deep in the African rain forest, near the legendary ruins of the Lost City of Zinj, an expedition of eight American geologists are mysteriously and brutally killed in a matter of minutes.

Ten thousand miles away, Karen Ross, the Congo Project Supervisor, watches a gruesome video transmission of the aftermath: a camp destroyed, tents crushed and torn, equipment scattered in the mud alongside dead bodies—all motionless except for one moving image—a grainy, dark, man-shaped blur.

In San Francisco, primatologist Peter Elliot works with Amy, a gorilla with an extraordinary vocabulary of 620 "signs," the most ever learned by a primate, and she likes to finger paint. But recently her behavior has been erratic and her drawings match, with stunning accuracy, the brittle pages of a Portuguese print dating back to 1642 . . . a drawing of an ancient lost city. A new expedition—along with Amy—is sent into the Congo, where they enter a secret world, and the only way out may be through a horrifying death . . .

From reader reviews:

Diane Gonzales:

Book is to be different per grade. Book for children until eventually adult are different content. As it is known to us that book is very important for people. The book Congo was making you to know about other information and of course you can take more information. It is extremely advantages for you. The publication Congo is not only giving you more new information but also to become your friend when you sense bored. You can spend your own personal spend time to read your guide. Try to make relationship with all the book Congo. You never experience lose out for everything in the event you read some books.

Michael Thompson:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get large amount of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, often the book you have read is usually Congo.

Jessica Rodriguez:

Reading a book for being new life style in this 12 months; every people loves to go through a book. When you read a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and soon. The Congo provide you with a new experience in looking at a book.

Clyde Okane:

You are able to spend your free time to learn this book this e-book. This Congo is simple to develop you can read it in the recreation area, in the beach, train as well as soon. If you did not include much space to bring typically the printed book, you can buy the particular e-book. It is make you much easier to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.
